

Basil Pesto

This recipe is so quick, so easy and so tasty! You'll never be buying the store version again ...

Ingredients:

3tbs pine nuts

2 big handfuls of fresh basil

60ml parmesan cheese, grated finely with a microplane or grater

2 garlic cloves, peeled and crushed

130ml virgin olive oil

Good pinch of salt

Method:

Place all ingredients, apart from the parmesan in a food processor and blend until relatively smooth. Stir in the parmesan and adjust seasoning until happy. That's it. Told you it was quick & easy.
